18th October 2016

Dear Parent/Carer,

Anti-Bullying Week is an annual UK event held in the third week in November, which aims to raise awareness of bullying and offer ways in which schools, organisations and individuals can work together to prevent it.

**This year's Anti-Bullying Week will be held from 14-18 November
with the theme POWER FOR GOOD.**

This year we have lots of important activities planned to send a clear and positive message that bullying is neither acceptable nor inevitable in Witton Church Walk, our community or the world.

10 Year 5/6 children will be traveling to Blackpool, on Wednesday 9th to attend regional training with two fantastic charities, Anti-Bullying Pro and the Diana Award, where they will become Anti Bullying Ambassadors. They have a very jam packed day planned for them and will take part in drama, art, music and dance activities and will come back to school full of ideas and events to promote kindness and spread the Anti-Bullying message across our school and community.

Friday 18th November is Blue Friday, where we are asking children wear blue to school to show that they "Say NO to bullying".

On that day, children will also 'wrap the school' in blue, where we will create a human band which will go round the whole school, filled with messages about and information on Anti-Bullying. Please enjoy and spend time reading them at home time.

Children will receive a blue wristband on the day to take home with them, to remind them to 'say NO to bullying and help raise awareness in our community.

Kind regards
Mrs Kathryn Magiera
