

Witton Church Walk PTA Get Involved!

25th October 2016

Dear Parents and Carers,

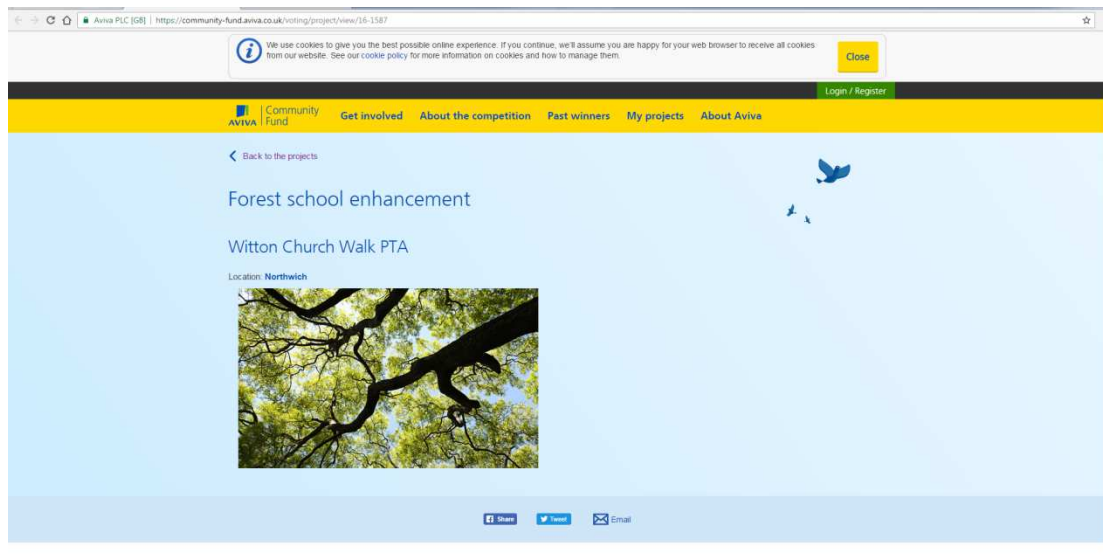

AVIVA COMMUNITY PROJECT – FOREST SCHOOL ENHANCEMENT

It's not often in life that we can get something for free.....but we have a great opportunity to gain some additional funding for the school and all you need to do is vote!!!

As part of our activity as the PTA we have applied for a grant of up to £1,000 to enhance the forest area of our school to make it more enticing for our younger years and more accessible as a learning environment for all our students.

What we need you to do is:

- Visit www.community-fund.aviva.co.uk
- Register to be able to vote
- Vote for Forest School Enhancement

You can **vote up to 10 times** and anyone can vote. So ask your friends, family, neighbours and work colleagues...ask everyone you know. The more you ask the more votes we will generate.

A link to the voting page is on the PTA Facebook website and will be tweeted out at regularly until voting closes on 18th November. Please feel free to share.

Kind regards

Witton Church Walk PTA
