13th December 2016

Dear Families,

Something I have been looking forward to since my operation three weeks ago happened this afternoon. I watched a fabulous uplifting production which shared with us the importance of this time special of the year. Thank you to all of you for your support with lines, costumes and learning the songs.....all worth it, I am sure you will agree. Thank you to all the children as well. I have missed not being part of day to day school life recently, especially at this magical time of year but effective communication with the staff and myself during this time has kept me fully informed and up to date. I have also enjoyed reading emails from different classes and our twitter feeds.

My recovery is going well and I am now getting around much better on the crutches....not as wobbly!

I will be joining the children and staff for our Christingle service on Thursday and again next week for our school Christmas lunch.

After a conversation with my consultant and hand controls being put on my car during the Christmas break, I am hoping to return to school on a phased return in our new term. This phased return will last over 4 weeks. I will keep you fully informed of my return, I can't wait...counting the days!

May I take this opportunity to wish you all a Merry Christmas and a Prosperous New Year.

Kind Regards,
Mrs Kathryn Magiera
