31st March 2017

Dear Parents/Carers

To support the children in their learning before the upcoming assessments, we have given your child revision packs which include practise tests for maths, reading and grammar and punctuation for them to complete over the Easter break. We are aware that the test paper have levels on them. We are asking the children to work through them to practise and consolidate learning so far. It will also increase their confidence when tackling and understanding test questions. It is not a requirement that they are all completed - if they wish to they can - but we are expecting them to complete at least one full set for each subject.

During the SATs revision day on Thursday 12th April they need to bring them along. This will give them the opportunity to work on tests they haven't completed, get support and teaching in areas they found tricky when completing the test from our Upper KS2 team.

We look forward to seeing them on our revision day!!

Kind Regards

Upper KS2 Team
