7th July 2017

Dear Parents/Carers,

As you are aware today was our 'All Change Day'. The children all gathered in the hall to hear who their class teacher will be in September. All our children were very excited and have had a wonderful day in their new classroom with their teachers. Our Year 6 children have enjoyed their visit to Chester which they can share with you when they get home tonight!

Below is a list of our classroom organisation for September 2017.

Mrs Parr, our Deputy, will be non-teaching, her time outside her own class will be spent supporting teaching and learning across the school by regular monitoring with me to ensure consistency and maintain high standards. She will be coaching our existing practitioners and will oversee the mentoring of our new staff to ensure they are continuing their own professional development. Mrs Parr will also be teaching small groups or leading 1:1 teaching when accelerated learning needs to occur.

Mrs Kenyon will support assessment and our Pupil Premium children in the afternoons. Mrs Jankowski will continue to support reading each afternoon in Key Stage 2.

Mrs Johnson is our SENco, Special Educational Needs Coordinator, and she works closely with me to ensure that early identification of the needs of our pupils are met. Our Family Support Worker is called Jackie Ellison, Jackie works full time in our school and you are more than welcome to collect her contact details from the office or pick one of her cards up from the notice board in the Community Room. Our play therapist Helen Summer will continue to work with some of our children on Tuesdays.

I hope that you will agree that this will be beneficial to all our children as we strive for high aspirations, continue to drive forward with our new creative curriculum and most importantly, to ensure that all the needs of your children are met.

With Kind Regards,

Mrs Kathryn Magiera
