Dear Parents and Carers,

At Witton Church Walk, we ensure all children are valued and nurtured educationally, creatively and spiritually and to support us to in doing this we are working towards UNICEFs Rights Respecting School Award.

UNICEF is the world's leading organisation working for children and their rights. In 1989, governments worldwide promised all children the same rights by adopting the UN Convention on the Rights of the Child. These rights are based on what a child needs to survive, grow, participate and fulfil their potential.

The Rights Respecting School award will help our pupils to grow into confident, caring and responsible young citizens both in school and within the wider community. While learning about their rights, our pupils also learn about the importance of respecting the rights of others and supporting all children to receive theirs.

The staff and children have been working hard to achieve this award in their lessons and assemblies and we have the rights displayed in the school. This board needs updating so we are asking for your help. Our display this year is going to be based on the right to play.

*"Every child has the right to rest and leisure, to engage in play and recreational activities appropriate to the age of the child and to participate freely in cultural life and the arts.*

I am sure your child has made many happy memories during the summer holidays and enjoyed their right to play, so we are asking if you have taken any photos of the fun your child had over the break, if you could print this off to be displayed in school. If you do not have a printer available, you are welcome to tweet it or email it to school and we can print this off for you. The display board is very large so we would be grateful if you could take part in this. Photos need to be given to your child's teacher or emailed/tweeted by Monday 18th September.

Thank you for your support and co-operation

Mrs Westron
