Dear Parents and Carers,

As you may be aware the school and each class have a Twitter page, this has been very successful at giving parents more of an insight into daily activities and to know what the children are doing in school.

Twitter does not replace current communication methods such as letters. It is not compulsory and parents/carers will not miss important information should they chose not to follow the school and class. However, it is useful for handy reminders, celebrating children's achievements, keeping up to date with activities and events in school and your child's class.

To follow the school and your child's class on Twitter you need to:

1. Set up a personal Twitter account by going to www.twitter.com or download the app
2. Click 'sign up now'
3. Enter your name, email address/phone number and create a password
4. Search for the school [@witton_walkce](https://twitter.com/witton_walkce) and click the blue 'follow' button
5. Search for your child's class [@jkrowingclass](https://twitter.com/jkrowingclass) and click the blue 'follow' button

Please read our Twitter policy in line with this letter to ensure adherence to the School Code of Conduct. We appreciate your co-operation on this.

Many thanks
