Dear Parents/Carers,

Your child has been chosen to be an E-Safety Officer, this role requires them to lead the team of E-Cadets in our school and ensure that all children know how to keep themselves safe online.

In order to carry out their role effectively, your child needs to attend an E-Safety Training event at Cheshire Police Headquarters in Winsford on Friday 29th September.

This is an informative day where your child will be trained and given up to date online safety advice and have a range of activities to partake in throughout the day. They will be given information they can use as an e-safety officer that they can take back and spread around their peers in our school. This training helps to assist school in delivering a whole school approach that empowers young people with the relevant up to date information on using the internet and while doing so keeping safe.

The training begins at 9:00am so we will need to leave school at 8:40am, we ask that you would meet Jackie and Mrs Wrench in the school office where your child will be traveling in Jackie's car to Winsford. Your child will stay in the Police Headquarters for the day, including lunch and we will leave at 2:30pm, arriving at school in time for home time. Please could you ensure that your child wear's school uniform and brings a packed lunch.

Please return the permission slip by Monday 25th September.

Kind regards
Mrs K Magiera
