15th September 2017

Dear Parents and Carers,

Over the years, I have written many times to inform you of many concerns which have been raised by residents, parents, staff and even children about parking outside the school. On several occasions, parents and carers have been reminded to be considerate of where you park around the School. I do appreciate that most of our parents walk or drive responsibly to school however these problems are still occurring.

To improve the safety of your children and yourself, the school council, Head Boy and Head Girl and the Junior Safety Officers have been working together with our Police Community Support Officer and representatives from Cheshire West and Chester Road Safety Department to develop a Parent Parking Charter.

This Charter outlines how we want our parents and carers to bring us to school, how to park outside school and ultimately behave in a respectful manner where the safety of pupils is paramount. Examples from the charter include agreeing not to park on the zebra crossing or blocking our neighbour's access to their property, agreeing wherever possible to walk or park further way from school and walk to last part of your journey.

On Wednesday 27th, our local PSCO and representatives from Cheshire West and Chester will be outside school before and after school to greet parents and carers, show them the Parent Parking Charter and ask you to sign these. We do need everybody's support to ensure this works and all work together to create a safe environment in and around our school.

Yours sincerely,

Mrs Mageira
