Dear Parents and Carers,

At Witton Church Walk we value Physical Education, as it gives our children the opportunity to become physically confident in a way that supports their physical health and emotional wellbeing. We encourage and promote a variety of physical activities within our PE lessons, afterschool clubs, play leader sessions, and swimming sessions at Sir John Deanes. We also provide our children with the opportunity to develop fundamental skills and encourage them to apply them when attending competitive activities. So as part of the ongoing process to inform our physical education and for future planning, we would like to ask you to complete this short questionnaire below. We are interested to know if your child (KS1/KS2) does any structured physical activity, outside of school. Are they involved in any individual or team sporting activity? For example: athletics, hockey, netball, dance, swimming, gymnastics, rugby or cricket?

Name of child _____ Class _____

Is your child involved in any structured sporting activity outside of school?

Y/N

Please provide details of the sporting activity and the club, team or group.

Do they take part competitively in this sporting activity? **Y/N**

Please provide details.

We welcome any additional comments that you or your child might have about the Physical Education at our school. Please comment below.

Please complete and return to the office by Friday 10th November 2017.

Thank you for your support and co-operation.

Miss Boston and Miss Simcock.
