Dear Parents

### **MEASLES & CHICKEN POX**

Please may we ask for your cooperation in a vitally important matter? One of our children is receiving medical treatment. This puts the child at serious risk if exposed to measles and chicken pox.

If your child is suspected of having either you should let us know immediately.

Your child is not at risk whatsoever from this situation. However, the health of and well-being of the child who is at risk does depend on your cooperation and that of all parents and we hope you can help us.

Kind regards

Mrs K Magiera  
Head teacher
