

### ANTI-BULLYING WEEK HOMEWORK

Our Year 5/6 Anti-Bullying Ambassadors have planned some fun and exciting homework for Anti Bullying Week. They would like you to **design/make your own BORIS THE ROBOT**

Boris is the mascot for our HeartSmart programme in school. Boris believes that because he is made of rubbish and junk that *he is* rubbish but with the help of HeartSmart he realises that because he has a heart and that he is loved, he is worthy and valued.

**Your Boris has to:**

- Have a heart and a smile
- You can draw it or make it however you choose
- Promote the HeartSmart value, that we are all valued, equal and worthy of love no matter who we are

The Anti-Bullying Ambassadors will pick winners and they will be presented with a golden HeartSmart badge.

**This homework is due in on: Wednesday 6<sup>th</sup> December**
