

Vale Royal School Sport Partnership Primary Performance Academy 2017/18

Vale Royal School Sport Partnership (VRSSP) have delivered programmes for talent young athletes within it's schools for a number of years. Building on effective Physical Education, VRSSP wants to offer opportunities for more-able pupils to practice and refine their skills.

Are you looking to improve your physical skills even further?

Do you want to develop the social, thinking and creativity skills linked to sport?

The VRSSP Primary Performance Academy will help!

- Programme delivered by teachers and coaches trained to work with more-able athletes
- Focus on fundamental movement skills such as agility, balance and coordination
- Learn about how improving social skills, thinking calmly under pressure and creativity can benefit you in both sporting and school environments
- Test your new skills in a wide variety of activities (team games, multi-skills, adventure, Olympic & Paralympic sports etc)
- Be inspired by experienced athletes who have developed their skills over the years

The Primary Performance Academy takes place at Hartford Church of England High School during half-term holidays on the following dates:

30th & 31st October 2017 (9.30am—2.30pm)

19th & 20th February 2018 (9.30am—2.30pm)

Each athlete will receive a Performance Academy T-shirt and there will be daily prizes and certificates which encourage every athlete to contribute.

The cost for all 4 days is £65+vat per athlete, although your child's school may subsidise this cost.

To take part please complete the registration and send payment before the start date.
