

So how can I help?

As mentioned earlier our PTA committee consists of six members: Chairperson, Vice Chair, Treasurer, 100 Club Treasurer, Secretary and Social Media Secretary. These people take the lead in organising events and allocation of funds. At our Annual General Meeting we will vote in existing and new committee members. We already know that there are a number of roles available, as our Chairperson is stepping down to focus on family life after 4 years in the role.

You can get involved by coming along and simply voting for your choice of committee members or even stepping up to take on a role yourself. But if you don't feel you can commit to a leading role, then don't worry, there are many other ways you support, such as donating your time to help at a particular event or helping secure prizes for our bingo night.

Can't make the meeting?

If you are interested or would like some further information, please feel free to ask any questions by contacting the team via our Facebook page – Witton Church Walk PTA.
