HeartSmart have released a new children's book 'Boris the Robot'

This beautiful picture book tells the story of Boris the Robot.

*'Boris was built from old gears and cogs and other unwanted bits and bobs. He was lovingly made by Amber and Josh who invite Boris to live with them. So why does Boris sometimes still hear the Scrapman's song calling to him? 'Junk is junk, it's plain to see, scrap is scrap and always will be. What's rubbish is worthless, you cannot pretend. It's a life on the scrapheap for you my old friend!' Which voice will Boris listen to? How will he decide where he really belongs?'*

We are selling this book in the school office on behalf of HeartSmart at a discounted price of £3, it is currently selling for £7.99 on Amazon.
