Dear parents/carers

As part of the revision process for the upcoming SATs tests we have given your child a set of test papers to complete during the holidays. The aim of this is to ensure that the children stay focused during the two week break as well as give them further practise of the types of questions that they may be asked during the real tests that will take place during the week beginning 14th May.

I am sure that you will agree that this is a very important time for your child and we feel that it is very important that they complete these papers during the two week break. In order to help the children further we have decided to open school up on Friday 6th April from 10am to 2pm for any children who would like to bring their papers in and have support whilst completing them. To make the day as enjoyable as possible for the children we will provide them with a lovely lunch. If you feel that this is something that your child would benefit from and would like them to join us then please fill in the slip below and bring it back to school by Thursday 29th March.

Thank you for your continued support

Mrs Parr & the year 6 team
