Dear Parents and Carers

Over the holidays we are asking that you and child spend time each day practising their phonics in readiness for the phonics screening check. The screening check will take place during the week beginning 11th June and all children have received a phonics packs of games and words to play.

In the screening check the children will be asked to read 40 real and nonsense words, in past years the pass mark for the test has been thirty two words or more read correctly out of forty. However, the pass mark can be increased year upon year if the Government feel this is necessary so it really is best to aim for as high as you can! Therefore, it is very important that all children continue to practise their sounds, word cards and games in their phonics packs. Children can also play games online on the following websites: <http://www.phonicsplay.co.uk> and www.phonicsbloom.com

I have every confidence in all of our children and I am sure they will do the best that they can but we do need your support at home as well.

Many thanks for your continued support

Mrs Westron
