PTA Summer Fayre - how can you help?

Donate a bottle or chocolate item

Please can you spare a bottle for the ever popular tombola stall? Or a chocolate item for the children's tombola? Please bring all bottles and chocolate into your child's class no later than the morning of **Friday 29th June** so that they are ready for the next day. For every item donated, you will be entered into a prize draw and there's a prize for every class.

Give an hour of your time

Volunteering is for everyone! Last year's fayre was run by parents, staff, governors, pupils and even High School students who came back to help their old school. Members of the PTA will be at school at the start and end of the day over the next few weeks - have a chat to find out more about how you can help get things ready the day before, set up on morning of the event or help on a stall during the fayre.

Pass on prizes

Do you have any items that would make great prizes for the raffle or a stall? This could be gift sets, unused toys and games or household items. Or perhaps you work for a company that can donate a prize? Please contact the PTA or let the school office know if you can help.

Book a stall

Do you - or someone you know - run your own small business? Please get in touch to find out more about booking a stall at the fayre. Be quick – there are not many spaces left!

And most importantly of all... spread the word!

As well as joining us yourself on 30th June, please let your friends and family know about the fayre. Email us at PTAWitton@live.co.uk with any questions or leave a message with the school office. Also, don't forget to follow our facebook page for updates:

A huge thank you for your support – the PTA's fundraising benefits all the children at our school. The money raised at events reduces the cost of school trips and buys important equipment for our school community. Many Thanks!
