

Dear Parents and Carers,

Our children have been invited to design a Christmas card by Mike Amesbury, our local MP for Weaver Vale.

The winning design will be printed and used as his Christmas greeting card, which will be sent to many businesses, schools, charities, community organisations and to councillors, MP's and Ministers.

Your Christmas card should have a Christmas theme and can be colourful and imaginative. All entries should not use glitter or stick on extra materials as this makes it impossible for the printers to reproduce the design.

Entries should be size A5 ONLY.

Please ensure that entrants have their name, year group and school, written clearly on the reverse.

Please can all entries be given into school by Thursday 25th October 2018.

The winning pupil will receive a prize and will have their name featured on the card. There will also be a prize for the two runners up.

GOOD LUCK!
