November 2018

Dear Families of Witton Church Walk Aided CofE Primary School,

I am writing to invite you to complete the attached questionnaire and put forward your ideas and thoughts about our school and if needed how the Governors and I can development our school in the coming years. Your input will be valued and taken into account when the Governors and I begin to analyse your responses and start to draft out our own self-evaluation.

This consultation with you will help us celebrate the school's joint achievements over the year and also help us to identify some areas in which we can further develop or improve.

**All** contributions will be welcomed, even if you think they are small. If we don't know about it we can't take action. I do hope that you will take a few minutes to read and jot down some of your suggestions/ideas. Could you please deliver them to school in an envelope marked 'School Self Evaluation', on or before Friday 16<sup>th</sup> November 2018.

Thank you very much for your time,

Kathryn Magiera  
Head Teacher
