Dear Parents/Carers

Legoland Manchester – Tuesday 12th March 2019

This term our Topic is called 'Growing up Global' where we are investigating other countries including different types of buildings. We are planning a trip to Legoland Manchester where the children will get to look at different buildings made from Lego and attempt to recreate them. On the day children will experience a number of different areas to investigate including taking risks and challenges in a physical area, movie making, model building and experiencing a 4d cinema. While we are there the children will also take part in a workshop to create their own model car.

All the activities will take place in doors therefore we ask that children come in their normal school uniform.

We will depart from school at 9:00am and return back to school for end of day. If there is to be any delay due to traffic on our journey back to school the office will let parents know via text or tweet.

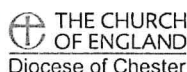

All children will have a snack and a packed lunch provided for them. We just ask that you bring a named bottle of water that can be thrown away at the end of the day.

The total cost of this educational visit is £9.00 this will cover your child's transportation to 'Legoland' and the workshops they will complete throughout the day. This can be paid via Parent Pay or the school office.

The school believes wholeheartedly in the value of these experiences and subsidises whenever possible in an attempt to ensure that these opportunities are accessible and affordable to all. However, the school seldom has the financial resources to pay the full costs. Consequently a voluntary contribution is normally requested from parents/carers. Please note that without all such voluntary contributions, this visit may have to be cancelled. If you have any questions about this visit please do not hesitate to ask.

Kind regards

Mrs Selby & Mrs Osborn
