Dear Parents and Carers,

Next week we will be continuing our learning about 'Growing Up Global'.

On **Wednesday** we will be learning about UNICEF – 'A DAY FOR CHANGE'. We will be learning about how we can help other children around the world. The children will be voting on what they would like to buy; for example, pencils, backpacks, skipping ropes or warm boots. To enable us to do this we would like to donate some baking money. **If you agree with this, please tick below.**

On **Thursday** we will be celebrating Holi, which is the Hindu festival of colour marking the beginning of spring time. To celebrate, we would like the children to **bring old clothes in to school**, so they can take part in throwing fragranced powder. The powder is completely safe and natural. It is made up of cornstarch and fragrance, such as lavender, but it could possibly leave a stain. **If you would like your child to take part, please tick below.**

On **Friday** we will be learning about World Water Day. Please bring in different-sized water bottles for us to explore capacity. Thank you for your support with our exciting curriculum.

Yours sincerely
Mrs Selby and Mrs Osborn
