Dear Parents/Carers,

Next week, Year 3/4 will be exploring our local area's geography, nature and wildlife to launch our new project on Rivers.

The children will be walking alongside the river in Northwich, through woodland and up to the Blue Bridge on the A556, where we will cross the bridge and return walking on the other side of the river. Along the way we will gain first-hand experience of the different parts of a river, take photos as part of our photography lessons and sketch the wildlife we see.

Children will need to come to school dressed in their own clothes ensuring it is warm and waterproof including a coat and sturdy footwear. Please ensure the children have long sleeves and trousers due to nettles and thorns and bring a water bottle to school that day. Lunchtime will be as normal in school.

The walk will be weather dependent, but all being well:

Miss Simcock's class will be going for their walk on Monday 9th September PM

Mrs Westron's class will be going for their walk on Tuesday 10th September AM.

Please keep an eye on school's social media pages for updates on the weather.

We have been informed that Miss Merchant has been requested for Jury Service on Monday 9th September. Miss Hart will be teaching the class in her absence and as soon as we know when she will return to school the walk will be arranged for her class. If her service is more than a week, Mrs Magiera or I will lead the walk with her class and a date will be confirmed. Any concerns please see myself or Mrs Magiera.

Mrs Westron and Mrs Magiera

I give permission for _____ to attend a local walk along the river on Monday 9th September/Tuesday 10th September
