## **Witton Church Walk is an 'EXCELLENT' Church School**

This is the judgement of the Statutory Inspection of Anglican and Methodist Schools (SIAMS) Inspector of your child's school, Witton Church Walk. On the 24<sup>th</sup> October Barbara Easton came to visit our school for the day, she completed our church school inspection. Barbara was rigorous in her approach, challenged us in all aspects of the inspection framework and our own self-evaluation, her conclusion was that our school is EXCELLENT.

The SIAMS inspection focuses on our vision and questions whether it is lived out daily in the life of the school –

***'Where Every Door is Opened and Every Gift is Unlocked'  
Jesus said, 'Love your neighbour as yourself.' Mark 12:31***

It also has a clear focus on Children's development, Religious Education, Collective Worship, our Christian ethos and the life of Faith displayed by the school.

The strong links that our school and St Helen's enjoy, not just with each other, but the wider community were highly praised and the support that each child gets on their journey through life and their Christian development was highlighted throughout the report.

Since the new inspection framework was introduced last year it has become more challenging to gain the judgement of 'Excellent'. I am extremely proud of my staff, our pupils and the whole school community for working together continually to ensure we are a school where your children will flourish and wants to be each and every day.

Please take time to read this report as it discusses everything which our school offers for your children, please share it with your family and friends.

Kind Regards,

Mrs Kathryn Magiera
