

We're counting down to number day 2022

Dear parents/carers,

We are delighted to be supporting the NSPCC this year by taking part in their number day on Friday 4th February 2022.

Children deserve an equal start in life

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That's why the NSPCC is fighting for every childhood and working to help keep children safe from abuse.

The NSPCC needs our support. By raising money we can help fund vital services like child line – the helpline that's always there for children and young people whatever their problem or concern.

Making maths meaningful

Number day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it, the children will take part in a variety of maths activities throughout the day.

On the day we will be taking part in Dress up for Digits and pupils will be invited to wear an item of clothing with a number on it (football shirt, cap or even a onesie, it up to you). You could be creative with a number related costume; prizes will be awarded to the most creative amongst you. To help raise money for the NSPCC, we are asking for a suggested donation of £1 and we'd love everyone in school to take part in this special event.

It all adds up

We are looking forward to all the fun of Number Day, and we really appreciate your support. The money we raise will make an enormous difference to children today and help change the lives of children tomorrow.

Thank you

Mrs Parr
